Quick start: Maps app

Scenic hike or interstate?

Get directions for wherever you want to go, no matter how you want to get there. Let's drive to Moab!

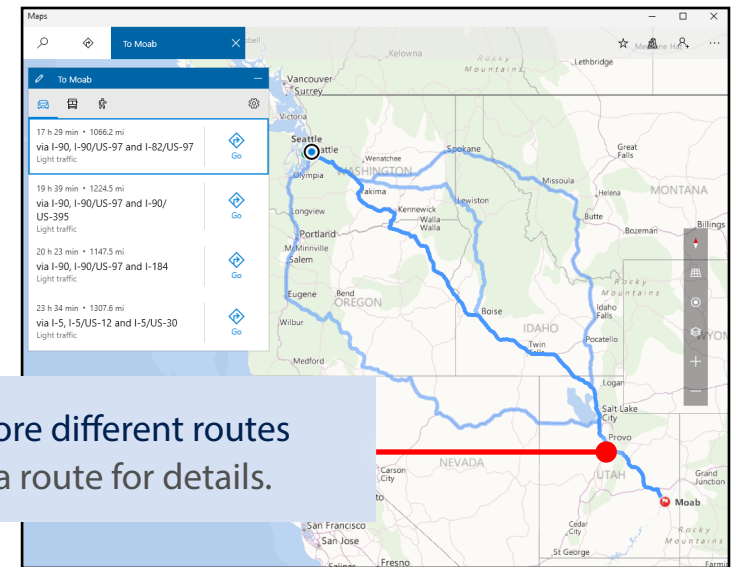

1. Select Directions 

2. Choose your mode
Car, bus, walk?

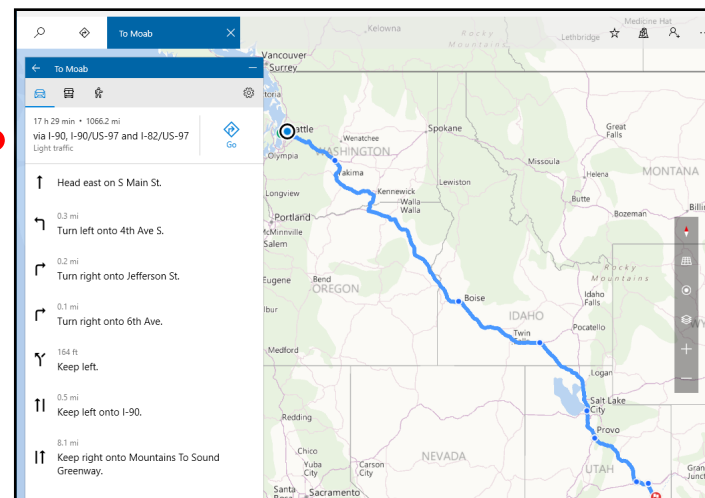

3. Enter a destination

4. Explore different routes
Select a route for details.

5. Make your choice
Maps will guide you every
step of the way.

Quick start: Maps app

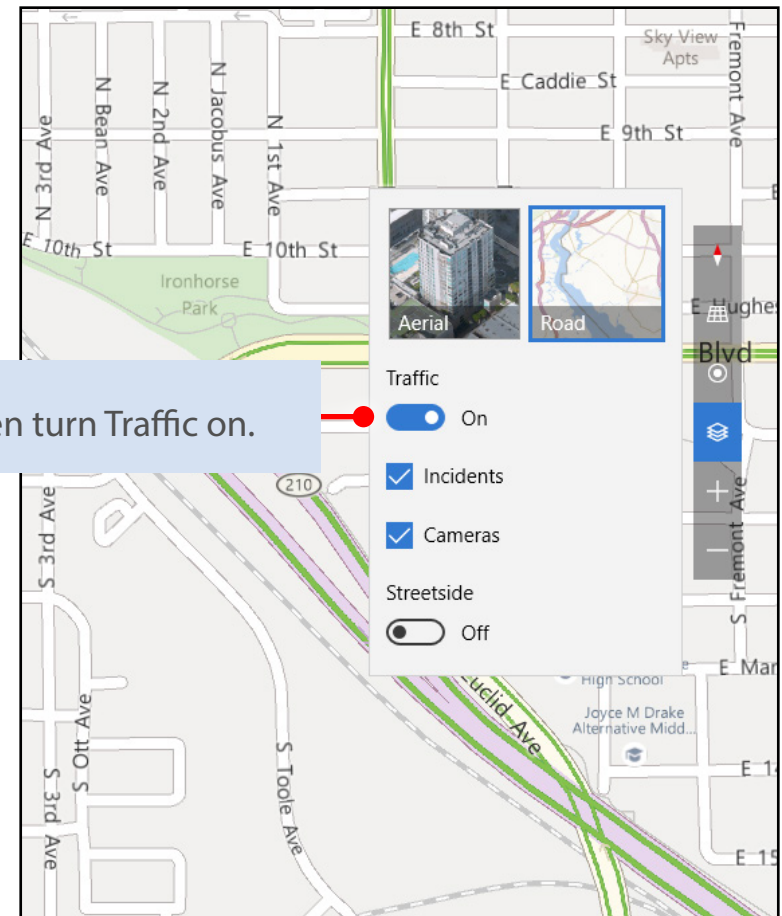

The roads are clear

Real-time traffic info is a click away.

Select Maps view  ...

...and then turn Traffic on.

Quick start: Maps app

See for yourself

Know where you're going before you even get there.

What's it look like?
Select Maps view  ...

...turn on Streetside.

...and select a street on the map.

No more guesswork
Streetside shows you a 360-degree view. Drag to pan, and see which direction you're looking with the map below.

Quick start: Maps app

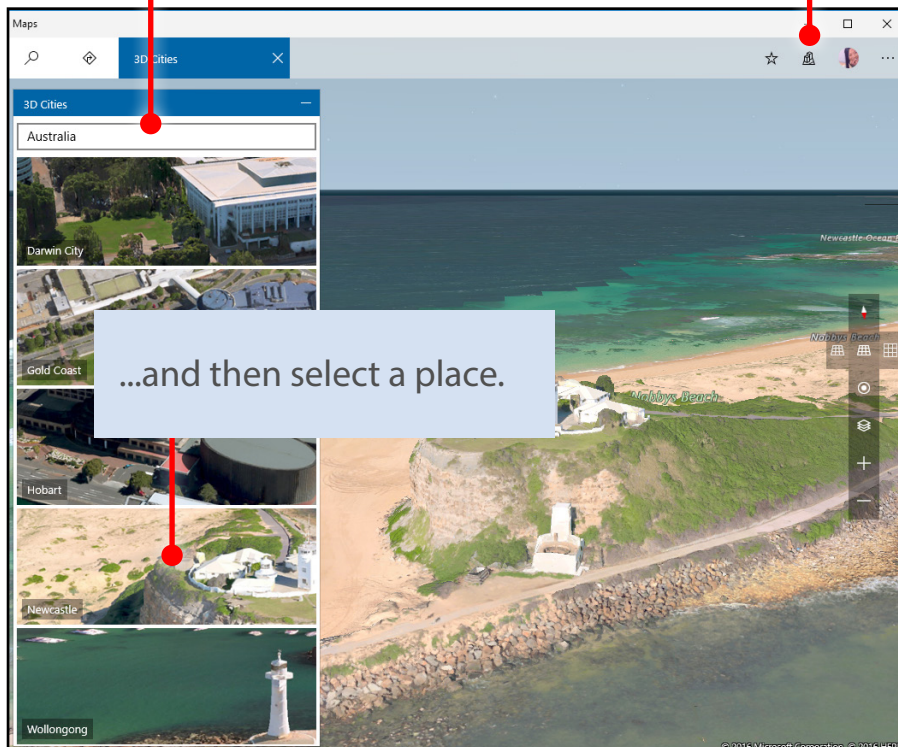

See the world from wherever you are

Explore different locations in three dimensions without having to get on a plane.

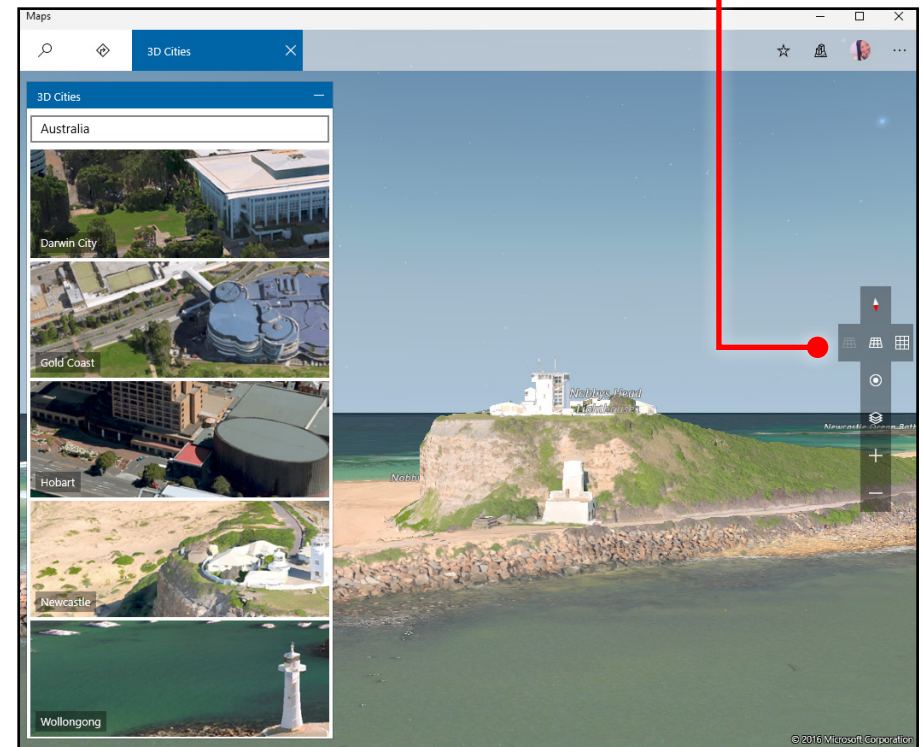

...search...

3D cities takes you there
Select 3D Cities  ...

...and then select a place.

Map controls make it interesting
Use controls, such as Tilt , to change your perspective.

Follow your own path

Draw or take notes on your maps.

Mark where the treasure is buried
Then share the map with your friends...
or don't....

Draw your own route

In a park with no mapped roads, draw your own
own and we'll show you the distance you'll
travel.
